9. (i) A representative from Wenhaston Utd FC explained the difficulties they are experiencing attracting players and volunteers to run the club. There is a real danger that the club will fold due to lack of support. A final decision will be made in May. Clerk requested that the PC were kept fully informed of all developments and stressed that should alternatives be forthcoming in the form of other clubs wishing to use the facility then this would require prior and formal agreement of the PC. (ii) Following discussion with Wenhaston Commons Group a suitable site for the memorial bench for the late Heather Phillips MBE has been agreed by Councillors, this will now be placed on Blackheath. Also agreed by Councillors was the alternative design following problems identified with the original agreement. There will be no cost impact. The existing bench at the childrens' play area will also be replaced and both benches will be of similar design. Cllr. Leech has donated a significant sum to the PC for the purchase of the latter which will replace the current bench which was in memory of her late mother and has been in use for over 30 years.
