*"The truth can only be seen with

This new musical adaptation of the classic story by French author and aviator, Antoine de Saint-Exupéry, features original folksy music, and songs from a host of wonderful characters, including a lonely Aviator, a demanding Rose, a powerless King, a hardworking Lamplighter, a greedy Businessman and a mysterious Snake.

Charmingly funny and poetically poignant, The Little Prince is sure to captivate audiences of all ages.

With Rosa Samuels as The Little Prince, Jake Snowdon as The Aviator, Katey Fraser as The Rose, The Fox and ensemble, and Mark Beauchamp as The Snake and ensemble. Design by Delphine du Barry.

# Wenhaston Save Our Swifts Action Group

## Latest news!

Swifts are flying around in 'screaming parties' in various places including along Chapel Lane, around Low farm, and near the Church Rooms. We have definite reports of nesting behaviour at The Star Inn, in Back Road, and here at Marsh Cottage.

Do let me know if you see swifts entering either under roof tiles or into a swift nesting box. The boxes and callers at St Peters church, the Village Hall and at the school are all ready and calling in the early evenings and mornings, and we hope that swifts will take up residence soon. Don't forget about the Swift Pint walk on 2nd July, starting 6pm at the village hall car park, and ending at the Star Inn. All are welcome, even if you can only come for a while.

Members of the swift group will be recording the numbers of swifts flying over the village in July. I will report back at the end of the summer.

Do let some of your grass grow long and try to grow flowers that attract insects. Try not to use insecticides. This will help build up supplies of the insects that swifts and their babies feed on.

Keep an eye out for swifts, and also their migratory cousins, the swallows and house martins, and of course also sand martins nesting at the sand pit on Blackheath.

A new 'swifts live here' tile has been made by Smoke and Fire at Darsham, pictured right. Please contact me via email if you have swifts living on your premises and you would like to buy one (£15 each) to display. Enjoy the sights of summer in our lovely village!

## **Wenhaston Blyth Spirits**

We were all disappointed that Diabetes UK were unable to provide a speaker for our May meeting, as we were all interested in learning more about diabetes and the work of the organisation. Apparently, they have no voluntary speakers in the Eastern Area and are appealing for volunteers to be trained as a speaker.

We were particularly grateful to Victoria Panton Bacon for joining us at very late notice. Victoria who is a relative of one of our members gave us an extremely interesting talk about the books which she has written, in particular the story of her grandfather's experiences in the Second WW in France. Those of us of a certain age were particularly interested, as the talk brought back many memories and there was much discussion about our experiences. You are able to learn more about Victoria's books on her Website.

In July we will have our garden party on, hopefully, a beautiful warm and sunny day! We are meeting in the garden at Spindleberry on Wednesday 20<sup>th</sup> July at 3.pm, when there will be a short talk by a well-known village resident! We are always very pleased to welcome new members or just visitors, so do think about joining us – good speakers – a friendly group - and a cup of tea! Please do contact either June T or myself for more information.

***Margaret G (478378) or June T (478622)***

## **Wenhaston Mothers Union**

We were all very grateful to the Revd. Alison Alder for kindly agreeing at short notice to talk to us about hers and Jonathan's trip to Israel.

I think that we were all very humbled and concerned on hearing of the many difficulties and devastating problems which the people of both Israel and Palestine are having to live with. Alison certainly made it very real to us all as to how much the situation needs our Prayers and support. On a lighter side she had some beautiful photos of the area, which had been taken by members of the Group. Thank you Alison for speaking to us.

July, and we are already half way through the year! However July is the month for our Garden Meeting, when we have The Wave of Prayer Service. We hope to meet in the garden at Spindleberry on the 13<sup>th</sup> July at 3 o'clock (not 2.30pm). After the Service there will be tea and cakes etc. Should it be

wet we will meet indoors at Spindleberry. I look forward to seeing you all at the July Meeting including as many Halesworth Members as can come.

## **Wenhaston Village Show.**

After all the excitement of the Jubilee celebrations life may seem rather flat – fear not. On 24<sup>th</sup> July it will be the Village Show. Finally, we are able to celebrate the 25<sup>th</sup> Annual Show.

Besides giving the Show a donation, Wootons will be have a stall full of their lovely plants. The allotment holders will be selling some of their produce. Blyth Woods, The Commons Group together with the Swift Action Group will have stalls showing what they have achieved over

the last few years. Suffolk recycling will be on hand to give us advice and guidance on what to do with our perceived rubbish. In addition to this there will be a display of art work by the children from Wenhaston Primary School.

Teas and delicious cakes will be on hand for those those in need of sustenance.

It is not too late to take part, if not with fruit and veg then with baking or preserves (cakes etc. to be covered), or perhaps the photography section. Under 18's are encouraged to snap a portrait – I'm sure it doesn't have to be human! Schedules are still available at Wenhaston Village Hall.

Don't forget to deliver your potato in a bucket at 10.30 on the morning of the show. Bring your scarecrows to the carpark so that they will be on hand to keep an eye on things.

So, you see, there is life after the Jubilee!!

## **If you go down to the woods today...**

Warmer weather has reached Blyth Woods - and all of us - at last. The bluebells may have faded with spring's end but there are other surprises to be found in the summer-green trees of Vicarage Grove. One of our Group heard the notes of a rare Golden Oriole's song a month ago, in the morning, just a little after the dawn chorus. You hardly ever see these exotic, secretive birds, merely a flash of a bright yellow body among the trees' high canopy. Their song is a pure, rich, fluting whistle, with a questioning note. They are migrating birds and, sadly, it was probably on its way past us to Europe and then on to winter in central or southern Africa. But for one fleeting instance, it brought magic.

However, we never forget our other common but much loved species. We put up twelve nesting boxes in Grove Piece and eleven have been used. The good news is that nine of these have fledged successful broods of blue and great tits. The nesting boxes put up by the Commons Group in Vicarage Grove have also been very successful, and by the time of the next issue we may have news about a rare plant species identified in Malster's Pond. Watch this space!

Two dates for your diary:

Wednesday 6<sup>th</sup> July, 6 pm: a work party to weed in Malsters/Grove Piece.

Not particularly strenuous. All hands needed! Just come along. (Further details:[blythwoods1@gmail.com](mailto:blythwoods1@gmail.com))

Sunday 24<sup>th</sup> July:

The Village Show, 2 pm, where we'll have two tables of interesting items and activities on display. Do visit us!

## **TIRESIAS**

### **ANCIENT GREEK MYTHS IN SUFFOLK'S WOODLAND AMPHITHEATRE**

Tiresias may be blind, but they have seen more than you or I in their 600 years of life. When Hera rips out Tiresias' eyes, Zeus grants them the gift to predict the future. At the heart of this production lies the question: "If you could know your future, would you want to?" Tiresias is a captivating piece of physically storytelling, told by one actor and one musician, weaving together Greek myths and legends and giving Tiresias a story of their own.

## Our Village Football Club

When I chatted to Dougie Canham (Manager) about the life and times of Wenhaston United Football Club, I was surprised to hear the earliest mention of football in Wenhaston was in 1644; but perhaps I shouldn't have been - hasn't football always been part of English village life?

*Are there old records of teams and matches?*

Dougie: 'Yes, written records from 1898, with gaps here and there. I've been keeping a record since I started playing in 1983. If you're interested, you should read the Green Book' (*a fascinating account of village football in Wenhaston and surrounding villages written by Andrew Jackson in 1993*)

*How is the Club getting on these days?*

Dougie: 'Well, let's start with the facilities. We've got a good ground right in the middle of the village, and a pretty good clubhouse, which we've been recently upgrading..... It's important to note that the Club are the 'custodians' of the clubhouse and pitch, and we welcome other groups to use them for playing and training. We have played in the Suffolk & Ipswich League, Junior Division 1 for the last 4 years....

*How many of the players are from the village?*

Dougie: 'Only a couple; a few years ago we had 10 from Wenhaston. These days there are so many other things going on competing for their time, and many lads move on and away from the village..... We have players from Yoxford, Halesworth, and even coming down from Lowestoft!

*What makes a village football team like Wenhaston 'tick'?*

Dougie: 'It's important to keep the spirit of village football going, and make sure it gives continuity from generation to generation.'

*When does the season start?*

Dougie: 'We kick off with pre-season friendlies – at home on July 16, 30, August 6<sup>th</sup> and 13<sup>th</sup>'

Dougie would love to hear from anyone (over 16) who would like to train, play, or just lend a hand. He can be contacted on 07771517765

## Jubilee Celebrations – A Note of Thanks from Arthur and Sheila Musk

It was with great pride on Sunday 5th June that we started the village procession from the Star Inn car park and headed up through the village, led by John Levy, with many villagers waving and cheering us past the village hall, up to Myrtles and back to the hall, where a big crowd was waiting. Mr. Chris Stone, head teacher of Wenhaston school, gave a short speech and unveiled the plaques to cheers and applause. From there the procession continued to the playing-field, where tables of wonderful food awaited some very happy children. Tea, cake and a lovely BBQ fed the rest of us, with the odd glass of beer. Musical entertainment came from the Black Deek Band and the Ukulele Group. This day was made possible by many people, from making cakes to quietly helping in the back ground. THANKS TO YOU ALL!

## Flower Club

On Tuesday 7th June over thirty Wenhaston Flower Club members and friends enjoyed a very pleasant and interesting evening at Broome Beck Meadow, hosted by the delightful owners Lucy and Richard Seppings.

Lucy shared her plans for her conservation project. She is also a trained florist and has a large cutting

garden which she uses for her bouquets. Our July meeting is traditionally a garden party or a cream tea and we are delighted that Jane Bastows is hosting a garden party for us. That will have happened by the time this goes to press. We do not meet in August but the September meeting is as usual in Wenhaston village hall on Tuesday 6th at 7. 30pm. We will be welcoming New Beginnings from Bungay. ***For more information, please contact Jackie Chenery 01502 478401.***

## St Peter's Church

Congratulations to those who organised the Jubilee Celebrations! The events went very well and were well attended. The service in church to thank Her Majesty for 70 years of loyal service was lovely and very fitting, thanks to Alison. The church ran a Tombola on the playing field and was soon sold out. Thank you so much to all who contributed prizes. We made it quite easy for the children to win and raised £47 for church funds.

Following our successful Plant Sale, Margaret Goldstone very kindly sold the remaining plants at her gate and raised another £130, making the final total to just over £600. Thank you, Margaret, and all who purchased plants.

On Sunday 24<sup>th</sup> July, the church is providing and serving refreshments at the Village Show. We should be very grateful for any cakes, please. An early notice is that the Two St Peter's Quiz will be on Friday 21<sup>st</sup> October, so please put this date in your diaries and think about getting a team together. Phil and Denise have very kindly agreed to organise this once again and we are very grateful.

Our condolences to Trish and all her family on the sad loss of Marjorie. She will be sadly missed, a lovely lady. ***Margaret Bloomfield***
