

November 2022

Wenhaston Warbler

Wenhaston Flower Club

Our Charity Night on October 4th was a huge success and a very enjoyable evening. It was our first Charity Night since COVID and our first in Wenhaston village hall. Charity Night was instigated many years ago by our founder member Jean, who still makes all the beautiful table decorations for the refreshment tables. This year we raised a fantastic £919.02p for The Halesworth Branch of Cancer Research. We were very pleased to welcome Sophia France the new Area Relationship Manager from Cancer

Research and also the Halesworth Branch President Dr. Clark, and Mrs Clark.

Thank you to everyone who helped on the night especially Susan, Dot and Nikki who worked very hard in the kitchen keeping everyone fed and watered. Thank you to everyone who baked, donated raffle or tombola prizes, or very generously gave a donation on the night, and thank you to the people who came along with their craft stalls.

The biggest thank you as always goes to everyone who came along to support our event, without you we couldn't have raised such a splendid amount.

Our next meeting is on Tuesday 1st November 7.30 pm in Wenhaston Village Hall. This will be a fantastic evening as it is our Christmas workshop with Roger Woolnough.

As yet we don't have details of the items required but an email will go out shortly to members, with a list of the items we need to bring. If you are not on the email list please contact Jackie on the number below.

Everyone is very welcome on the night and the price is still only £5 which includes refreshments, so please come and join us.

For more information please contact Jackie Chenery on 01502 478401

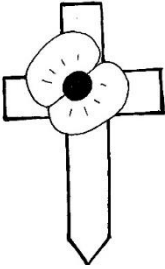

Closure of Gate from Hall Road to the Village Hall Car Park Update

We contacted Suffolk Highways last May with a possible solution for a replacement gate between the Car park and Hall Road. This is still with the Council, and we are awaiting their reply. I will inform the village as soon as we have had a decision.

Wenhaston Village Hall Management Committee

Wenhaston Walking Group

A local walk will start at 10am at Wenhaston Village Hall on Tuesday, 1st November. A second walk led by Louise Cunningham will leave the Dunwich Beach car park at 10am on Tuesday, 15th November. Lunch will be taken at The Ship Inn and a menu will be circulated shortly. If you are interested in being added to the circulation list, please email ipbigwood@btinternet.com ***Heather Phillips (01502 478545)***

Remembrance November 2022

As usual, there will be two Acts of Remembrance in the village.

On Friday 11th November, some of the pupils from Wenhaston Primary School will come to St Peter's Church for a short service, before marking the two

minutes' silence at 11am for Armistice Day at the village war memorial. You are welcome to join the children for the two minutes silence.

On Remembrance Sunday 13th November, there will be an Act of Remembrance in the Village Hall carpark, which will include the laying of wreaths at the war memorial and marking the national two minutes silence. This will be followed by a service in St Peter's Church, Wenhaston, which will include prayers for peace. You are welcome to come to the Act of Remembrance and the service.

Revd. Alison Alder Associate Priest Blyth Valley Team Ministry

Foodbank and Community Larder Donations

Your donations continue to be gratefully received for these two vital services. Please leave them in the boxes outside Oakhurst, Blackheath Road.

The Foodbank urgently needs mashed potato, long life fruit juice and sugar. They have plenty of pasta, cereal and soup. The Foodbank is based in St Mary's Church, Halesworth and is open every Wednesday morning.

The Community Larder will accept a wide range of food and toiletries, including pet food and baby things. They will particularly welcome instant or tinned custard, and toiletries. The Community Larder is located in St Mary's Church Hall and is open on Monday, Wednesday and Saturday mornings 10.30-11.30am. You can get food supplies and give what you can afford, swap items for things you need, or receive emergency help.

Friends of Halesworth Library

There are a number of events organised by the Friends at Halesworth Library in November.

Thursday 2nd November 7.30pm -10pm

Library Quiz

Tables of four with an entrance fee of £12 per table. If you cannot put together a full table we will assemble a team for you. Please bring your own drinks. Nibbles/snacks will be provided.

Sundays November 6th and 20th 10:30am - 12:30pm

Sociable Sundays

We provide coffee and refreshments and a place to relax and chat about anything from world politics, to local events, and everything in between.

Monday 7th November 2 pm to 4:30pm

Board Games Cafe

Open to all adults, an opportunity to play a wide range of games in a non-competitive environment. Refreshments are served.

Thursday November 17th 2:30pm

This month's book talk will be given by Judi Daykin, the author of the series of DS Sara Hirst crime novels and other works. She is based in Norfolk as is the fictional detective. Her latest novel, An Artful Murder was published in July. Tea and cake will be served. There will be no charge for the talk.

Saturday 26th November at 10am

Christmas sale at the library and start of the sale of Christmas raffle tickets – draw on 17th December.

Please contact the library on 01986 875095 or email friendsofhalesworthlibrary@gmail.com if you would like a ticket for the Quiz and further details of any of these events.

Mobile Library in Wenhaston

The mobile library will be at the Village Hall between 3pm and 3.45pm on Friday 4th November.

Nigel Frostick

Wilder Wenhaston
Pathway to a Greener
Future

‘Wilder Wenhaston’ is a network of villagers who have joined forces to help local nature recovery and improve our neighbourhood environment for people and wildlife within the context of the wider climate emergency. We will:

Survey data on local flora and fauna which will be utilised to inform evidence-based initiatives to help wildlife in the wider parish environment.

Organise working with existing groups and expertise to identify and develop projects that can be delivered in the short, medium, and long term.

Support actions intended to implement the aims and aspiration of the Neighbourhood plan, specifically biodiversity.

***Nature and wildlife need our help now
and we can all play a part.***

This mission statement for Wilder Wenhaston has the support of our Parish Council. In the coming months we are embarking on a range on projects to understand and improve our local environment for people and wildlife.

Next month’s Warbler will have more details of how you can get involved.

On behalf of the Wilder Wenhaston steering group.

The Blyth Woods Group this Autumn

There has been a disappointing dearth of mushrooms in Blyth Woods because of the drought but on a dog walk to Vicarage Grove one of our members spotted these beauties:

Chicken of the Woods

King Alfred's Cakes

There is something so alien and unique about mushrooms, no wonder they feature in our ancient folklore – and of course the edible ones are delicious in stews, casseroles and on toast. We, in the Blyth Woods group, are planning an expert-led Fungi Walk, but it will have to wait until Autumn '23, when we hope conditions will prove more promising for them.

However, what a bumper bounty of acorns, hazelnuts and beech mast we've had! You can hardly take a step without crunching on a nut underfoot. Our apples are smaller but sweeter this year, according to an expert from Somerset on the Today programme, and apparently perfect for making cider (he would know!).

Meanwhile, our other projects gather pace.....

As part of an exciting on-going programme with Wenhaston Primary School, in October we collected acorns with the Reception class and planted them in the school nursery, and in early December we shall plant these out in Vicarage Grove with Years 5 and 6.

We are also having two Work Parties in the near future and volunteers are very welcome, even if you can only spare an hour. You need no specialist knowledge and all equipment is provided – as well as Elevenses with hot drinks!

They are:

Holly clearing in Vicarage Grove on Saturday 19th November, from 10 a.m. to 1 p.m.

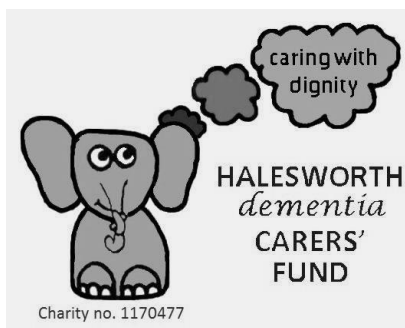

Tree planting in Grove Piece and Malsters on Saturday 3rd December, from 10 a.m. to 1 p.m.

Do join us if you can! Further information: blythwoods1@gmail.com
blythwoods.org

Patricia Elliott

Halesworth Dementia Carers Fund

Your Support Counts

i-Chameleon Shop

I would like to take this opportunity to thank everyone who helped to make our week in the shop so successful. This would not have been possible without our many volunteers and trustees who helped in the shop. I would also like to thank all those who were involved in the transporting

of goods and setting up the shop on Wednesday evening, and also for returning the unsold items to our storage sheds at the end of the week. A special thank you to Phil Gill for using his van to transport the bulk of the goods for sale.

We raised a total of £1,111.40p, a much needed boost to our funds. All monies raised will help to support our families caring for someone living with a dementia diagnosis in the Halesworth area.

This figure would not have been raised if it hadn't been for all the very generous people who came into buy from us, just make a donation or donate items and cakes for us to sell.

HDCF Film Matinee

Our film in September was Downton Abbey, the New Era. A total of £131 was raised after expenses. By popular request, the movie for November will be "Elvis" and this will be shown on Wednesday 16th November at 2.00. (Running time 2hrs 40mins).

The Cut Café is now serving lunches so why not take this opportunity to have lunch prior to the film.

Ladies' Lunch Club.

Our monthly ladies' lunch club met again on 20th September. 12 ladies enjoyed another delicious meal and in the process raised an amazing £61.50 for our funds. Thanks to Arlette Smith for organising the lunch, and to Cleo, Simon and staff for their excellent service.

The next lunch is on Tuesday 18th October at The Angel. All ladies are welcome to attend so if you would like to come along please contact Arlette on 01986 469101.

Donations

Many thanks to all those who have so generously donated to our charity this month and who helped to fill our donation pots in a variety of shops and pubs in the town. Pleased be assured that all donations go towards supporting our families and help to fund our group activities that are held on a weekly basis, as well as our Respite Care Service. Thanks too, to all the businesses that so kindly take our collection pots.

100+ Club

This is now up and running, and the first draw will take place at our meeting on November 14th. Numbers are going really well, and if you would like a number please call Anna on 01986 872207 or 07721842802.

New Secretary

Since the retirement of Dave Rich we now have a new secretary, Alison Cackett and her number is 01986 874442.

Teresa Fyfe Chair, HDCF

Starters and Puds night

Thank you very much to all those who supported the evening on October 7th. The event raised £1993 for the Pear Tree Fund – a wonderful result.

Liz and Louise Cunningham

Wenhaston Primary Half-term update

Dear Reader,

Welcome to the first update of the school year about Wenhaston Primary School. I am delighted to share with you our news. As always, if you would like to have a tour of the school or you feel you have something you could offer us as a school, please do get in touch.

Enjoy

Mr Stone - Headteacher

The village and its people continue to be an invaluable source of support and information for the school

I recently attended the Commons Group AGM and was inspired by the strong commitment to making Wenhaston an active village in combating climate change. This is something that the school supports. Thank you for the kind welcome.

Tables kindly lent to the school by the village hall

A thank you to the Village Hall!

At the start of the term, we as a school had a bit of a crisis as the new dining tables I had ordered failed to show up on time! My personal thanks to all of those at the village hall who supported us in allowing us to borrow them and transport them safely to the school!

Artwork at the Village Hall

I am pleased to announce that the children's artwork will soon become a regularly updated feature at the Village hall. So if you're visiting the hall please take a look. All feedback and comments gratefully received.

Girls Football tournament update

Our girls did the village proud this week finishing runners up in the Bungay High School feeder tournament. They did really well to get to the final, growing in confidence with every game.

Harvest Festival

We again celebrated and thanked those who produce our food through our Harvest celebrations a few weeks ago. The Reverend Alison attended the school to talk to our younger pupils about the importance of farming, whilst in the afternoon our older children attended the church for a service which they participated in. The singing from all the children was excellent! Many thanks for all your donations.

Bawdsey Manor

Oak Class (our oldest children in years 5 and 6) attended Bawdsey Manor for three days away from home earlier this term and had a truly fantastic time. Such opportunities are so vital for developing resilience and independence. It was my privilege to spend that time with them and they were a credit to the school.

Fencing

Archery

Arctic and Sub Arctic Wildlife

At the October meeting of the Blyth Valley and Southwold Suffolk Wildlife Trust group, the photographer, Liz Cutting, treated us to a visual tour of Svalbard and Iceland's summer flora and fauna. The Arctic region of Svalbard has varied habitats of bog, rocks and cliffs, and is home to an amazing variety of wildlife. The flora is small and low-growing, but gives a beautiful carpet of colour in June, providing food for the smaller Svalbard reindeer to be found there. On land, the wildlife guide scouts ahead of the visiting group to check for the presence of polar bears: the area is carefully controlled for visitor and animal welfare and safety, but he is permitted to carry a rifle in case of emergency. Liz' stunning photographs brought out the range and beauty of the birds, from Arctic Terns and Skuas to Ptarmigan and King Eiders, to name but a few. One worrying photograph showed a polar bear carrying a plastic bottle, which thankfully it later dropped. In Iceland, it was interesting to see Snow Buntings in their summer breeding plumage. Liz was able to take clear photos of the protected Red Necked Phalarope – and the swarms of flies and insects on which they feed!

The landscape provided many contrasts, from the incredible colours and shapes of drifting, melting ice formations on the water, to the wild lupins on land, introduced to help stabilise the earth. These look beautiful, but

they've become invasive, and something of a problem now.

The exceptional quality of the photographs gave us a real feel for this remote region, and it was enjoyed by all.

Our next meeting is on Thursday, November 10th, at 7.30pm in the Southwold Arts Centre, IP18 6JP. Steve Aylward, Head of Property and Projects for the SWT, will give an illustrated talk on the Butterflies found on our reserves. Entry costs £3, (rising to £4 in January) to include refreshments, free for under 25's. All are welcome.

Penny Mansfield Contact us at swtblythvalley@gmail.com

The Bells, the Bells

During lockdown I started the bad habit of looking at Twitter regularly. Amongst my interests is history and places where I have lived. From East London, a writer called the Gentle Author, who has a blog called Spitalfields Life, alerted me to the situation of the Whitechapel Bell Foundry. Through 2020 and 2021 I followed updates, petitions, crowd-funder appeals and recruitment of some of the great and good, such as Judi Dench, to support this appeal.

Why is the Whitechapel Bell Foundry of any interest to Wenhaston? Why, because 4 of the 6 bells from St Peters are from this factory, being acquired between the dates of 1767 to 1823 (according to the 1890 list by Raven, noted by Keith Johnceline in his millennial history of Wenhaston). The No 3 bell, from 1823, cost £37, 6 shillings and 3 pence, and delivery (cartage) was 6 shillings, a princely sum!

The WBF is – sorry *was* – renowned as being the longest continuous manufacturing business in London, starting in 1570, and operating from the same building since 1740s. It is the foundry that cast such famous bells as Big Ben, the Liberty bell and the Bow bells.

In 2017, the Foundry's then owners decided to sell to a property developer. A campaign to save the Foundry was started.

If Wenhaston's church has 4 bells cast at the Whitechapel Bell Foundry, how may more church bells throughout the country must have originated there? This business, the 18th century brick building still standing and its cultural situation in the East End have a huge legacy. Supporters have started the London Bell Foundry together with a digital casting company, creating the End of Covid Bell for the Royal

Academy and designed by Grayson Perry, which will tour the UK. The planning permission has lapsed and the building is once again for sale; this grassroots group are now fighting to acquire it, and open again as a working Foundry in the East End.

For more information and the whole story:

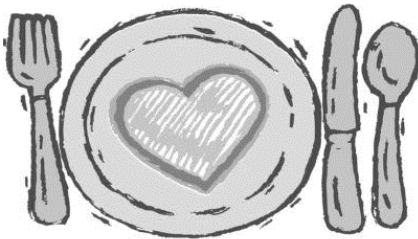

[Petition · Save the Whitechapel Bell Foundry · Change.org](#)

[Save The Whitechapel Bell Foundry – How to submit your objection](#)

[The Whitechapel Bell Foundry Is For Sale | Spitalfields Life](#)

Community Lunches

Come and meet up with friends, meet new people and enjoy a hot meal together. No charge but donations welcome towards the costs.

St Peter's Church organises monthly lunches for older people and people living on their own. A team of volunteers provide two course hot dinners in the Village Hall.

The last two lunches for the year are on Monday 28th November, Tuesday 20th December, (Christmas Lunch). If you, or someone you know would like to come to our lunches, or if you'd like to help in any way with cooking, serving and transport, please contact Revd Alison Alder on 01502 478855 or at alisonalder@hotmail.co.uk .

Editors' Note

The next edition will be our bumper Christmas copy, in full, glorious, COLOUR! The deadline for copy is the 15th November. Send in your copy to the wenhastonwarbler@gmail.com

Wenhaston Village Hall 100 Club - Winners for October 2022

The Wenhaston Village Hall 100 Club draw for October has been made and we are delighted to announce the winners:

- 1st prize David Hobson (number 59)
£37.50
- 2nd prize Terry Cushion (number 27)
£22.50
- 3rd prize Diana Shaw-Cotterill (number 4)
£15.00

*Congratulations to all! It's never too late to sign up! A chance to win a prize costs just £1 a month - our accounting year starts in September so anyone wishing to join now, the fee is £10 for the period to end August 2023. Please pay by cash or cheque, made payable to Wenhaston Village Hall 100 Club, and hand in, clearly marked with your name, in an envelope to Jane at the Post Office (thank you Jane for being our collecting person!) **All enquiries please phone Trish on 478078.***

Raising funds for Village Hall Maintenance

Wenhaston Mothers Union

We all enjoyed a very interesting talk given by Jo Small at our October Meeting. Just before Lockdown Jo set off from Wenhaston on her own to walk Hadrian's Wall, and she gave us an interesting and amusing Account of her nine day journey. The route is 84 miles but Jo added a few miles on, and completed just over 100 which we all thought was amazing. She stayed at different accommodation each night and that in itself was an interesting adventure. We all learnt a lot of the history of the Wall as the journey proceeded and we were taken to places many of us had never heard of!

The highlight of her talk was the book of photos which she has produced which are so good. Parts of the Wall are still showing at various places but often only by a few bricks. It was apparently 20 feet high when erected, but the highest remaining parts now are only about 4 feet high! The countryside varied considerably and was obviously very beautiful, and the skies on the good days amazing. Jo said how much she had enjoyed her time, the many people that she had met, the fantastic scenery and being sustained by ice creams and pizza - and that her feet at the end were still there! Thank you Jo!

In November we have our Diocesan President Linda joining us for our meeting, and she will update us with the latest happenings and the proposals and suggestions for changes in the M U in the coming months. We look forward to having Linda with us.

Thank you to everyone who has contributed so generously to the Shoe Box Appeal so far, either by Items for the Boxes, or donations. I will be giving the number of Boxes filled and delivered in next month's issue of the Warbler.

Margaret Goldstone (478378)

Shoe Box Appeal

The Mothers Union Group in Wenhaston is once again going to fill shoe boxes with small items for those less fortunate at Christmas, we have now done this for many years sending between 25 and 30 boxes every year.

The boxes are sent through the Organisation **LINK to HOPE** and will be delivered to Ukraine, Romania, Moldova and Bulgaria

We will very much welcome small items for the boxes and if you are interested in joining with us in this venture we shall be extremely grateful.

Please leave them in the porch at Spindleberry, Narrow Way by the 6th November. We really appreciate any help which you can give. Please phone me with any queries. **Margaret Goldstone (01502 478378)**

Wenhaston W.I.

‘Living on Beccles Common is a rabbit called Lettice who wears a tutu and gives ballet performances.’ This is the starting point of a highly imaginative talk given by Mandy Stanley, a children’s author/illustrator who has sold millions of books. From rag books for babies, to the adventures of Lettice, which have been published in the USA, Japan, France and many other countries, Mandy led us through her career. From design degree, to publishing her own work, (now digitally – even drawing the characters freehand direct onto a tablet -a challenging thought for most of us!). We left the meeting to go looking for rabbits in surprise outfits. **Wendy Mendham**

St Peter’s Church

It is quite autumnal now and the trees look so lovely in their autumn colours. The clocks go back shortly and we shall all retreat into our cosy nests. We are very fortunate when we think of all those who are homeless or finding the economic situation hard. This is where the

Food Bank and Community larder in Halesworth do such a great job in supplying goods to those in need.

The church was beautifully decorated for our harvest service which was well attended. Alison also hosted a service for the school children and kindly took the groceries donated to the food bank and larder. The collection of £255 from the Harvest was donated to the RABI (Royal Agricultural Benevolent Institution)

We are looking forward to our Two St Peter's Quiz and I will report on it next month. Our remembrance service will commence with a short service in the Village Hall carpark followed by a service in church. All very welcome.

SHCT Ride and Stride

Many thanks to the stewards and the gentleman who cycled for us. We sent £80 to the Trust and received £40 back. ***Margaret Bloomfield***
