Revd Alison tries her hand at ploughing

THE TRACTOR DAY organised by Arthur Musk was a huge success with several of our local ladies including our Associate Priest, Alison, attempting to drive a straight furrow. The church received a magnificent sum from the event and we are most grateful to Arthur and all his helpers. It was a good day.

I thought I would publish the dates of our fund-raising events for 2025 so that folk could put the dates in their diaries: *Margaret Bloomfield 01502 478502*

News from the School

Hello everyone,

PLEASE ACCEPT MY apologies for the recent absence of my contributions to the Wenhaston Warbler.

We enjoyed a wonderful Christmas period here at the school. It was lovely to see so many of you from the Village Hall at our Christmas show, and we were delighted with how it went. My sincere thanks to everyone at the village hall for their support. A special thank you also to our school choir, who sang beautifully at the community lunch before Christmas. I believe it was an enjoyable occasion for everyone involved. The children and staff also had a fantastic time at our whole-school Christmas outing to the Leiston Film Theatre.

Of course, 2025 has already been a busy year. We were delighted to once again work with Blyth Woods, with our eldest children participating in tree-planting on their new plot of land.

We've also celebrated sporting success, with our Year 3 and 4 class winning a

dodgeball tournament – a fantastic achievement!

Our Year 5 and 6 class have also written some beautiful poems on the theme of friendship,

which I've included on the next page for your enjoyment.

Finally, we're very much looking forward to welcoming many of you to our soup kitchen in March. You'll find a poster with more details in this edition. As always, if you'd like to visit the school and see what we do, please don't hesitate to contact the school office. Thank you. *Mr Stone, Headteacher*

SOME POEMS WRITTEN BY PUPILS IN YEAR 5 AND YEAR 6

A Real Friend

A friend is someone who
we return to when are
spirits need a lift
A friend is someone we
treasure
For friendship is a gift
A friend is someone who
fills our soul with beauty
and joy and grace
A friend makes the world a
better place
You, my friend are a
blossom tree always
beautiful and kind. **By Trey**

A Friend

A friend is like a cupboard,
strong and reliable, they can
hold your secrets inside;
Or maybe like a dragon
guardian of your dreams,
always by your side.
A friend is like a compass,
leading you in the right
direction,
A friend is like a blossom,
fragile and should only be
shown affection.
A friend is like a cherry
orchard, an ocean of pink, if
you look closely; you might
find your missing link.

Gaia

A Friend

A friend is like a companion
that never leaves your side,
A friend is like an oath that
does not lie,
A friend is like a ruby that
glistens in the sky,
Or maybe a delicious apple
pie,
A friend is like a black hole
where its love never ends,
Or maybe a broken heart
that always mends **By Jake V**

A Friend

A friend is like a glimmering sun,
joyful and bright
or maybe like the never-ending
starry night
A friend is like a ruby, shining in
the dark
or maybe like a blossom tree
standing in the park
A friend is like a sunset gentle
and caring
or maybe like a cake, always
there for sharing
A friend is there when you need
them most
always there and they never
boast
Over the rainbow you'll always
find
the treasure you wished for deep
inside. **Amali**

Blyth Woods group

A new season

AS I WRITE, CANDELMAS, the 2nd February, has just passed, the Christian celebration that originated in the ancient Celtic festival of Imbolc, which marked the beginning of spring with the longer hours of daylight. There are signs of the coming spring all around us: in our gardens, where daffodils buds are swelling, snowdrops in brilliant white clusters hang their bells, and buttery yellow aconites have appeared (known in the old days as 'choirboys' in Suffolk because of the bright green 'ruffs' around their necks), while in the hedges black-thorn and hawthorn show the first signs of budding.

Progress on St Peter's Pightle

However, it was not particularly spring-like weather for the valiant tree-planters on St Peter's Pightle, who worked through wind and rain to reach a grand total so far of 2,800 young trees, planted over our fortnightly planting sessions. By the time we finish this planting season the total will be 3,200. Well done, and a huge thank you to everyone who helped. If you walk that way (along the path at the end of Church Lane) and look to your right, you will find an impressive array of tree

guards sticking up across the field, like the prickles of a hedgehog.

For instance, on the 17th of last month over a thousand saplings were planted in a single day, by

adult volunteers and school children from Wenhasston Primary, who brought along twenty-four trees and some additional oak saplings from their tree nursery. You can see how enthusiastic the children were in the photograph! For information on further work party dates, see contact details below. Do come along – it's fun, rewarding and the weather is improving!

Footpath Art

If you receive your *Warbler* before the end of February, hurry out and create a piece of footpath art using the natural materials around you – stones, twigs, leaves, dead moss – along the main paths of Vicarage Grove, Malster's and Grove Piece. We are hoping to take some great photographs for a forthcoming *Warbler*!

Our Annual Meeting – an early date for your diary: Thursday, 22nd May, Village Hall, 7pm. There will be a speaker, the bar will be open, and home-made nibbles available.

Watch the *Warbler* for more information.

Finally, the group were saddened by the recent death of **Serena Inskip**,

Founder Member, great supporter and Friend of Blyth Woods. We are planning an appropriate memorial to her.

pathway to a
greener future*

Alexanders *smyrnium olusatrum*—

THEY ARE BACK with a vengeance! The glossy green leaves of the Alexander plant are everywhere.

They are now taking over our hedgerows and crowding out the native flowers – cow parsley, cowslips etc. You will have seen them encroaching all around the village.

Now is the time to deal with them, before they flower. There are various ways of controlling their spread: digging up the roots; cutting them down before they flower; or even eating them! The plant is edible, and picked early, before the shoots become tough, they can be used as celery. Even the roots can be roasted like parsnips.

Alexanders, *smyrnium olusatrum*, was brought to the UK by the Romans as a substitute for asparagus – but they are now becoming a menace. We could all clear a few metres to let our wildflowers breathe.

Save our Swifts

Wenhaston action group

AS I WRITE SPRING still feels a while away, but we can think about the sounds and sights of swifts arriving back in the village in May, forming acrobatic screaming parties as they congregate and feed on insects above our heads, having flown thousands of miles from their winter homes in Central and Southern Africa.

We are now providing lots of homes for these amazing birds, both natural sites and installed nest boxes. We now have a total of 40 boxes and 21 known natural sites. There were 28 known active nests last year. Seven occupied nest boxes were directly observed, leaving 33 still to be used. We could increase occupancy rates for never used boxes by playing swift calls to attract either new breeders, as well as more mature birds

If you would like more information about how callers work and their impact, or you would be interested in fitting nest boxes or increasing the number you have, please contact me at

wenhastonsosactiongroup@gmail.com

Suffolk *Save our Swifts* currently have supplies of nest boxes for

suitable sites and I can put you in touch, or you can have a look at the website suffolkbirdgroup.org for further information.

Please let me know if you do install any new boxes or have observed swifts entering under or leaving from under your roof tiles so I collate the records on the RSPB Swiftmapper website. If you are interested in coming along to a group meeting let me know. The group carries out swift counts twice in July and organises a Swift Pint Walk ending up at *The Star* pub which hosts one of the best Swift colonies in the village.

Finally please be aware that when renovation or new building work is carried out previous nest sites can be removed. It is also a good opportunity to fit boxes, get a caller and set up a new colony in our village. Thank you for caring about these incredible birds.

A Time for Hope

Lent Course 2025

Mondays 4pm at Spindleberry, Narrow Way Starting Monday 10th March

THERE ARE MANY people feeling bleak about the state of the world at the moment and are longing for something to give them hope. St Peter's Church is running a course during Lent to explore how hope can be found, even in the toughest of places. We will be using materials from the charity *Embrace the Middle East*, which supports small projects which make a big impact on the lives of people in that area. Sessions will be very informal, with times for

discussion and quiet reflection. They are open to everyone, not just our regular congregation.

If you would like to join us, please contact me:

CHRISTMAS CARDS IN February do not seem to be very appropriate, but at our February meeting we made 140 Cards for the Prisoners at Highpoint Prison ready for Christmas 2025! It was a very enjoyable afternoon under the guidance of Sue Norrington, who organises the making of these Cards for Prisoners in the diocese, and we were very grateful to her for coming to our meeting. It was also very rewarding to know that our Christmas cards were being reused in this way. I should also like to mention that we were extremely pleased to welcome three new members at to this meeting!

At our next Meeting, on March 12th, one of our members, The Revd Margaret Rennard, will lead us with *Thoughts for Lent* and we will be very pleased to welcome anyone who would like to join us for the afternoon. We will be back meeting at the Methodist Chapel at 2.30pm.

They are designed for people aged 65 or over. Classes take place weekly and are led by a qualified instructor in a safe space. The exercises are designed to help people feel more confident on their feet, to get in and out of a chair and provide an opportunity to socialize.

Current class locations include:

- Leiston Leisure Centre, Red House Lane, Leiston, IP16 4LS - Mondays, 10am (run by Places Leisure)
- Waterloo Centre, Waterloo Avenue, Leiston, IP16 4HE – Wednesdays 11.15am (run by ActivLives)

Still unsure on what to expect? Please read one of our participant testimonials below:

"I am on my 8th session of my strength and balance programme and I have met some lovely people here. It has given me the confidence to go and meet more new people now. I was very nervous about going out of my house especially in the winter and as I live on my own, I didn't get to meet new people very often. I am definitely going to complete the 12 weeks now and I am really happy I started the classes."
