Notes from the School A Heartwarming Community Lunch

ON TUESDAY, 25TH MARCH, our school was thrilled to host our third annual community lunch, and what a wonderful success it was! This event, a whole-school design technology activity, brought together children of all ages to create a

truly memorable meal. Our Saplings (Year 3 and 4) and Oak Class (Year 5 and 6) children showcased their culinary skills by preparing three delicious, warming soups, perfect for a late March afternoon. The Seedlings (Year 1 and 2) children, with their tiny hands and big enthusiasm and support

from Rebecca from The Next Loaf, baked batches of fresh bread rolls and our Acorns (Reception) children, not to be outdone, whipped up batches of delightful biscuits that were a sweet treat for all our guests.

Our Oak Class (Year 5 and 6) children stepped into the role of hosts with grace and professionalism, serving our 32 guests with smiles and efficiency. They ensured everyone was well looked after, contributing to the warm and welcoming atmosphere.

This event wouldn't have been possible without the incredible support of our local community. We extend our heartfelt gratitude to the Co-Op for their generous donations, to the Black Dog Deli for providing the delicious cheese, to Heathside stores for supplying essential ingredients for the

deserts, and to local grower, Nat Bacon of Ward Farming Ltd, for their fresh produce. Their contributions were invaluable and helped make this lunch a truly special occasion. We are so pleased to see the children and community come together, and we hope everyone enjoyed the afternoon as much as we did. We look forward to welcoming local residents again next year.

Mr Stone, Headteacher

Blyth Woods update

ON THE 28TH MARCH, children from Wenhaston Primary School gave a talk at the Village Hall about their work with Blyth Woods. A large number of people attended the event but, undaunted by the sea of faces in front of them, the children, accompanied by slides, explained to the audience what they had been doing and how much they had enjoyed helping with the various projects. They were articulate, enthusiastic, and a credit to the school. The afternoon's talk was followed by pizza, much enjoyed by adults and children alike, provided by Anthony McCallum.

A number of people were involved in the event, so a special thank you to: Chris Stone, Revd Alison Alder, Sara McLaughlin, Lizzie Pitkeathly, Marie Rolfe, Hazel Sacco, Susie Cooke Mike Wilkinson, Black Deek Band, the children and, last but not least, Heidi the hedgehog lady.

St Peter's Church – bell ringing

THE CHURCH COUNCIL has recently been asked if we would be happy for the team of Halesworth Bell Ringers to practise at St Peter's Church on the first and third Tuesdays of every month commencing in May. The bells will ring between 7.30pm and 9pm. The team has been using Blythburgh Church for regular practices, but they have now been told that these bells will be out of action for the rest of this year – because of major work installing new toilets and a kitchen. We have agreed to this request, as we feel that it is important to keep the team of ringers together, and good for the bells to be rung regularly. We do hope that the ringing will not cause problems for the village people and that they will enjoy hearing the bells ring out!

Flower Club News

AT OUR MEETING on Tuesday 1st April we welcomed Nicola Wright who conducted a workshop making an Easter/Spring hanging garland. The members had a great time following Nicola's presentation and producing their own unique version.

Our next meeting on Tuesday 6th May will be in Wenhaston Village Hall 7.30pm when it will be "Members Take Over" night. This is when some of the very talented members of the Flower Club will be the demonstrators.

Last year this proved to be a very popular evening, and we are all looking forward to this year's demonstration. It is still £5. Payable on the evening which includes tea/ coffee and biscuits. For more information please contact:

Marshes spill – follow-up

IN APRIL'S WARBLER we reported a leak of sewage from Bramfield's sewage pipe onto the Thorington marshes, an Environmentally Sensitive Area. Anglian Water has responded thus:

The spillage was an overflow from a manhole, and promptly attended by an Anglian Water team. The spill area was 100 sq m, drained by two streams. Sewage contamination (measured by ammonia analysis) decreased over approximately three days. The cause was a 'deflected', ie twisted, plastic liner in the pipe. More spillage was prevented by diverting the sewage flow at a Bramfield pumping station into a holding sump for removal by tanker to the sewage treatment works. This will continue until the damaged lining is replaced.

News from St Peter's

Plants Wanted

AS I WRITE THIS, we are approaching Good Friday and then the joy of Easter Sunday. We are having Easter Teas on Easter Monday and hope lots of people will have come and enjoyed the flowers and teas.

Our next fund raiser is our **Plant Sale** on Saturday 17th May. We would be very grateful for any **spare plants** readers may have. They can be brought to the church at any time before 10am on the day. There will also be a cake stall and a raffle and we are looking for items for these too, please.

Our Annual Parochial Church Meeting is on Thursday 15th May at 7.30pm in church. We do encourage anyone, who is interested in the running of the church, to come and hear what goes on and what is needed.

AT OUR APRIL MEETING we welcomed Ken Thom, the local speaker for the charity, Mission Aviation Fellowship. Ken told us about the work of MAF in Africa and Asia and showed us film of some of the places and projects they are involved with. They certainly do some good work; Ken was thanked by Win Sutton who herself had made use of MAF's transport in Papua New Guinea.

At our May meeting , Wednesday 14th. May, one of our members, Felicity Jelliff, will take us back to Wenhaston in the past when she talks about past history and events. As always, we will meet in the School Room at the Methodist Church at 2.30pm, and anyone who would like to join us will be very welcome.

Christian Aid Week 2025

I CONFESS, CHRISTIAN Aid Week has crept up on me this year and caught me unawares. Possibly due to recent eye surgery and forthcoming kneecap replacements. Oh joy!

In fact, the committee did not meet until April to hastily get everything together in the short time before it comes upon us . . .

CHRISTIAN AID WEEK: 11th TO 18th MAY.

Hoping that most of our band of helpers will be able to get envelopes through Wenhaston's doors, you should get one during Christian Aid week.

Alternatively, Jane will have spares in the Post Office. There are then three drop-off points for you to return your envelope:

- Wenhaston Post Office
- Revd Canon Alison Alder, Oakhurst, Blackheath Road
- Moira Cooke, Stonecott, St Michael's Way, Wenhaston

This year Christian Aid is focused on poverty amongst communities of Burundi where 70% people face hunger and poverty every day. Here in the UK many of us are tightening our belts yet, however hard we find things here, there are always those far worse off than ourselves so, here's hoping you can do your generous best!

We may possibly be short of one or two people to deliver this year. If you would like to help, please contact me: 01502 478503 or moiracooke@belmoor.plus.com. Equally, for health reasons, this is likely my last year organising this in Wenhaston. If there is anyone who would wish to take over, again, contact me on the above phone or/ email address. Thanks in advance.

Moira Cooke

Starting to plan your summer? Halesworth Library can help!

WE HAVE LOTS OF gardening, travel, and recipe books for summertime inspiration, not forgetting all our fiction books that are perfect for outdoor reading. We also have some fun things planned for summer and throughout the month of May. Starting off by celebrating the 80th anniversary of VE day on Saturday 10th May, alongside the Town Council's Street Party – pop into the library for themed activities and crafts. Then during the May half-term join us on Tuesday 27th May 11.30am-12.30pm for a fun crafting session. If you're unable to join any of our timed sessions, don't worry as we have a range of activities and board games to enjoy every day, we're open!

Sundays

4th and 18th May, 10.30am-12.30pm: Sociable Sundays

11th and 25th May, 10.30-11.30am: Family Board Games Café

Mondays

19th May, 2-4.30pm: Board Games Café

Tuesdays

10-11.30am: Rhyme Time & Play session, for little ones, free of charge

10am-4pm: East Suffolk Council advice drop-ins

10am-12noon: Citizens' Advice drop-in – every **other** week (ask for dates)

27th May, 11.30am-12.30pm: Crafting session – see above

Wednesdays

10am: Time Out group for older people – cup of tea and chat

9am-5pm: Barclays Bank

Saturdays

12 noon -1pm: Lego Club

10th May: VE day themed activities – see above

Did you know that the library can deliver books to your home? If you're unable to visit us at the library, one of our volunteers can come to you. Please contact us on [01986 875095](tel:01986875095) for further information.

Barn Owls and Red Kites

THE BLYTH VALLEY and Southwold group welcomed Simon Dudhill, from the Hawk and Owl Trust, to talk about his work with barn owls and red kites. Simon has worked for many years with owls and other raptors, monitoring their progress, and building nest boxes suitable for each type of bird. Owls don't build their own nests but rely largely on out-buildings and trees. The reduction of these habitats has meant that now 80% of barn owls use large oblong or triangular boxes, which you may well have seen. If a barn owl chick falls out of its box, it is in grave danger, as its parents do not look for it, or try to feed it. However, it is sometimes possible to foster a found chick by placing it in another carefully selected nest box. Simon and his colleagues monitor over 800 boxes in an area radiating out from Peterborough. They are licensed to check and ring the birds, and happily this species is now generally secure.

The second part of the talk was about red kites. Spain has asked the RSPB for help with its declining red kite population. Northamptonshire is highly populated with kites, and it is

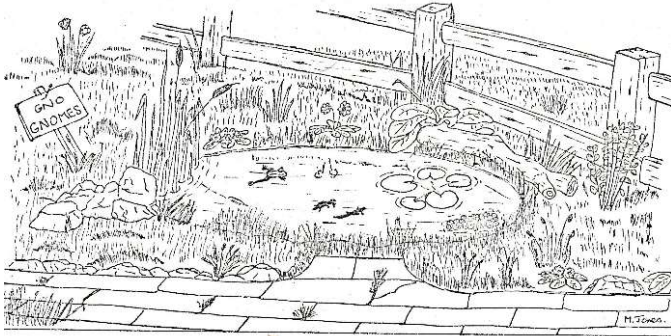

here that Simon, as part of a team, is finding chicks to help with this project. The scheme has been running for three years now, and so far ninety-six chicks have settled into their new homes. The process is done with great care. Forestry England supplies experienced and licensed climbers who can bring chicks down to the ground. There is always one chick left in the nest, and the same nest is not revisited for three years. They are carefully and fully health checked, ringed, and fitted with GPS trackers before their journey to their new habitat. They are now breeding successfully with local birds, and rearing their young. The photography was beautiful, and it was a fascinating and enjoyable evening.

Our next meeting is back at the Southwold Arts Centre, IP18 6JP, on Thursday April 10th, at 7.30pm. There is a short AGM, followed by a film, *The River Gipping*, featuring Paul Heiney. There are refreshments and a raffle. Admission free.

Water in the Wildlife Garden

WITH THE INTEREST in creating wildlife-friendly areas within gardens coming to the fore, I feel now is a good time to remind everyone about the importance of ponds and water within the scheme of things. Any body of

water, however small, can add a new dimension to wildlife garden and is a habitat providing a home for a whole range of plants and animals. You do not need a large garden to develop a successful wildlife pond but there are ways of maximising its potential and several mistakes to avoid. Garden ponds have become a valuable substitute for the dwindling number of natural ponds. Some water dependent creatures have been very good at adapting to use them. Frogs, newts and dragonflies can build up large populations in a comparatively short time. I know of a dozen artificially lined ponds in Wenhaston supporting Great Crested newts. The smaller common or smooth newt is widespread even in very small ponds.

Fish are *not* a good idea in a dedicated wildlife pond as they eat frogspawn and frog and newt tadpoles as well as the aquatic larvae of insects such as dragonflies and damselflies. Ducks and geese should also be discouraged.

Water attracts insects and so will bring in birds such as swifts and swallows as well as bats. Grass snakes may be seen in and around wildlife ponds.

I have only been able to touch upon this subject but there are matters of pond design, siting, construction and maintenance to consider as well as suitable habitat creation around the pond. I am happy to help anyone who is thinking of creating a wildlife pond.

Wilder Garden Trail and Question Time

NOT LONG NOW until Saturday 17th May when we look forward to welcoming you to our Wilder Gardens Trail events. Firstly, you'll be able to visit gardens developed to encourage wildlife and biodiversity and later have the opportunity to ask and hear Wilder Garden questions answered by our expert panel.

Thank you to those who have already submitted questions for the Wilder Gardens Question Time from 4.30-5.30pm in Wenhaston Village Hall. Questions can still be submitted up to 1pm on 17th May: by email (see below) or via the dedicated wallet in the Village Hall. We will endeavour to answer as many questions as possible.

Our Panel's chair, Alan Miller, will introduce our expert panel: Kate Ayre, Luci Skinner and Roger Best. All have a professional background in horticulture and currently work in Wenhaston gardens alongside other gardening activities, and have expertise in a wide variety of wilder gardening techniques.

The Wilder Garden Trail starts at 11am at St Peter's churchyard and extends across the village, so do allow plenty of time. There's a map to help you plan your route around the ten gardens.

Entry by donation on the day, towards event costs. Limited parking is available along the route.

There will be activities for accompanied children in the churchyard, including a wildlife 'iSpy' to complete along the Trail.

Refreshments are available throughout the day.
