

WILDER GARDENS PROJECTS 2025

WILDER GARDEN TRAIL

SAT 17TH MAY
From 11am - 3.30pm

Thank you to all the gardeners who expressed interest in opening their garden for the **Wenhaston Wilder Garden Trail**. We have new gardens, small and large, gardens in early progress and some that have been gardening for wildlife for longer.

Put the date in your diary and look forward to viewing interesting gardens. Followed by an opportunity to ask our expert panel, questions at the **Gardeners' Question Time** in the Village Hall.

More details to follow next month
